*Andy*

Dear friends of Camp Rivercrest, It is with great joy and humility I bring you our annual report from 2020. Even though this year was unlike any before you can see the hand of God all over it. He was so faithful to us, and we did everything we could to steward this ministry and its resources.

On the following pages, you'll see the impact of our ministry, the income and expense results from 2020, as well as a look ahead to 2021.

Thank you so much for your continued support of Camp Rivercrest. We simply could not do this without you. And this year, we're still open because of you. It's that simple. Thank you!
