

SUMMER CAMP DISCOUNTS 2024

Sibling Discount

1. Families who send multiple children to camp can receive a sibling discount.
2. One child must be paying full price and not receive any other discounts.
3. All other children will receive a \$40 discount off each registration.

Friend Referral Discount

Refer a friend to Rivercrest who has never attended before and receive a \$40 discount!

To qualify for the discount, the following restrictions apply:

1. This discount only applies to campers attending Overnighter Camp, Mini Camps 1 and 2, and LIT Camps 1, 2, and 3. Both campers must be registered for the same session of camp.
2. You must be a returning camper to Camp Rivercrest's summer camp program to qualify for the "Friend Referral" discount. The friend must be a new camper.
3. The friend you refer cannot be a sibling or used as a friend referral by anyone else.
4. Friend Referral is only offered to a camper once per summer season.
5. All discounts must be approved by our office before they are applied to your account. Your account balance will reflect a temporary credit until our office can verify the discount (to avoid overpayment). If it is (or is not) approved, you will receive an email stating such. To speed up the process, encourage your friend to register around the same time you do.

Financial Assistance

Financial Assistance is for individuals who would benefit from a summer camp experience at Camp Rivercrest but would otherwise be unable to afford the camp fees due to financial hardship.

Apply for Financial Assistance through your account on our website. Once you have completed the online form, please allow up to 2 weeks for application processing. You will be notified via email the awarded amount. Funds will be applied to your camper's session once you have paid the \$100 deposit.
